Our Smooth Sailing™ Building System Guarantee

If you are like most people your home is your most treasured possession. It's an asset that you've worked hard to own and maintain. You take great pride in it and you want it to be looked after and respected by others as much as by you. Deciding to go ahead with a ground or first floor addition could be one of the best decisions you'll ever make in terms of improving both your lifestyle and the value of your home. However, there's no denying it also has the potential to be a stressful time for you and your family.

To put your mind at ease Extendahome offers you our Smooth Sailing™ Building System Guarantee. This system ensures that you have the least stressful experience possible, from the moment we first speak to you right through to the moment you step into your newly extended home.

We are so committed to providing you a stress free experience that we give you this Smooth Sailing™ guarantee – if you find the process of your home extension experience with Extendahome more stressful than you expected it to be, we'll send you and your family away for a relaxing weekend holiday on us.*

* To the value of \$1,000 with a Prepaid Eftpos card provided by Extendahome.
